A Letter to the People Of Oyen

To the Editor, Oyen News,
Dear Sir:

Permit me through the columns of your paper to call the attention of the ratepayers of Village to copy of resolution unanimously passed at a meeting of the Board of Trade and and referred on to the Council for action. The resolution is as follows:

That the Secretary be instructed to communicate with the Village Council re helping town clean up generally, and recommend that parties who do not clean up be prosecuted, and further that if premises are not then kept in sanitary condition that the council be asked to have said premises closed up.

We all naturally feel proud of our village and like to boast of its possibilities. And if we wish to make it what is desired viz: one of the most attractive, clean and healthy villages in the West, it is up to us each one to shoulder his or her responsibility in connection with matters pertaining toward a betterment of conditions.

The ideal will never be attained by a Board of Trade or Council, or Health officer unless they have the hearty co-operation of every citizen. If you are repeatedly breaking the By-laws of the Village you cannot expect the best results. When you are approached by the proper officials and requested to discontinue and you fail to take the warning you can only blame yourself should prosecution follow. Should you have the good fortune to be the possessor of a herd of swine or say, one or more cows, do not have the idea that the village street or your neighbor's garden or lawn is for your convenience to keep stock on. For remember he has feelings akin to yours, and if this condition of affairs is allowed to continue in Oyen we cannot expect to have an up-to-date and clean place. The ratepayers look to the council for adjustment of conditions, and perhaps justly so if allowed.

We look to Oyen to grow from a village to a town in '18, and ask you Mr. Taxpayer and everyone interested in the welfare of the Village to assist us in complying with the request of the Board of Trade and there by have a clean healthy town.

I ask yours co-operation to that end.

I am,

Yours truly,
J. Howard Alexander,
Reeve of the Village of Oyen.

The business meeting of the local R. C. Society will meet at the home of Mrs. J. G. Gaylor on Saturday at 3 p.m. All members are requested to be present.

We have just received two car loads of drills, discs and harrows. Should you require any of these machines, we would you to come in and get your requirements now. We appreciate your trade. Peterson Motor Co., the McCormick Agents.

Mr. Geo. Meyer and family of Benton, returned home from Reston, Man., last Sunday, where they have been spending the last three months.

Mr. and Mrs. D. MacDonald of Benton entertained about forty friends on Friday evening last.

The Ford is Now Considered a Necessity for Large-Scale Farming

WHETHER you are doing work on a large scale, or a small scale, you endeavor to reduce the delays of your farm machinery to a minimum and save time. A Ford will assist you in doing these two things.

If your tractor runs short of gasoline, the Ford will bring a few cans right to the spot and greatly shorten the delay. Or if you need a repair, or some new plow points, you can "run" the errand to town and back in one-third the time it would take with a horse and rig.

With a Ford you can supervise the work on your ranch much more thoroughly. You can get your mail and supplies oftener, and take more enjoyment out of prairie life. A Ford will do all these things and many more, and at the same time save you money.

The strength and endurance of the Ford has been proved the world over. It is equal to the western roads and the distances.

The Ford is the car for the Western Farmer.

"The Brat" Coming Tuesday, March 5th

Rosa Martin, the saucy little Comedy Star who is making her first Canadian tour will be seen at the OPERA HOUSE, Oyen, Tuesday, MARCH 5th, in "The Brat", with book by Maud Fulton formerly of the well known Vaudeville team of Fulton and Fulton.

"The Brat" was first produced in New York only last season, where it ran for 200 nights at the Harris and Morosco theatres. The piece is said to fit the Star even better than "Peg O' My Heart" in which she appeared as "Peg" in Oliver Morosco's own company.

It is a comedy dealing with the vices of society, the Clergy and the stage, pictured with a coloring of the truth.

A much praised cast includes Rea Martin, the star and previously featured in Kalam and Biograph moving pictures, Edna N. Holland also seen in the Famous Players and Paramount pictures, Burt L. Robinson, Arthur La Roche, leading man in Winnipeg Stock Co., Leonore Guito, Dorothy Baldwin, Edwin J. Burke, Vivian Suckling, and A. Pacific-Ripple. The play is handsomely staged beautifully costumed and elaborate furniture is carried with the production.

No change has been made in the cast since leaving New York. Reserve seats on sale at Crockett's Jewellery store \$1.50. General admission \$1.00. Children 50 cents.

Mrs. M. M. Huffman Dies Suddenly

We regret to announce the death of Mrs. M. M. Huffman which occurred at her home Fairacres on Thursday last. Mrs. Huffman had apparently been in good health up till a few hours before she expired. The cause of death was due to heart failure. Mrs. Huffman was 44 years of age, and leaves a husband and five children to mourn her loss.

Mr. and Mrs. Huffman and family came to Alberta about a year ago coming from northern Nebraska.

Red Cross Entertainment

The entertainment given in the Oyen Opera house by local talent on Thursday evening was a great success in every way. Although some of the performers who were on the program failed to be present their places were very ably filled by Miss G. Evans who played several beautiful pianoforte solos.

The following program was given: Pianoforte solo, Miss G. Evans; Recitation, Miss M. Ostrander; Solo, Mr. J. W. Robinson; Recitation, Mr. S. D. Webster; Solo, Miss McIntosh; An address by Father Bowlen; Irish Step Dance, Mr. A. Thompson; Clarinet solo, Mr. H. Hancock; Song, Miss L. Evans; Dialogue by five school children; Pianoforte solo, Miss G. Evans.

The Electric Light

There are still a great many people in this town who we think should have electric light in their homes. Once you have the light you will never want to be without it because of its convenience and safety. If you take to figure the risk you are taking by using kerosene and gas lamps you will readily see that the electric light is cheaper and far above the old system, and by taking lights you help the town and yourself. Who's next? We would also like to say that if you find any fault with the service or the light report it to the Company who will try and remedy the trouble as quickly as possible for they are as anxious as you are to have good lights and service.

The Company would esteem it a favor if the subscribers would turn out their lights when not in use as it would considerably help to lighten the load on the line.
